Parks, Recreation and Community Resource Department

Dear Visitor,

On behalf of the City of Acworth Parks, Recreation, and Community Resource Department and the Acworth Tourism Bureau Authority we would like to welcome you to our community. We are extremely thankful to have some very special volunteers with the Acworth Baseball Association that have grown the program into one of the largest and quality operated in the area. Our staff and volunteers are here to assist you! In an effort to make your stay more enjoyable, we have included a packet with a map of our community that lists local restaurants and retail outlets.

We have three distinct corridors in our community: Interstate 75, Highway 41, and our Historic Downtown District. Our I-75 corridor offers several hotel and fast food establishments; the Hwy 41 corridor offers access to a variety of national retailers, urgent care clinics and chain restaurants; and our Historic Downtown District features family owned boutiques and unique dining experiences. A map is provided in this packet to help guide you through your visit.

We hope that your experience is positive and that you will come back to visit us in the near future. If you need any assistance from us, feel free to speak with one of our team members in the City of Acworth logoed shirts.

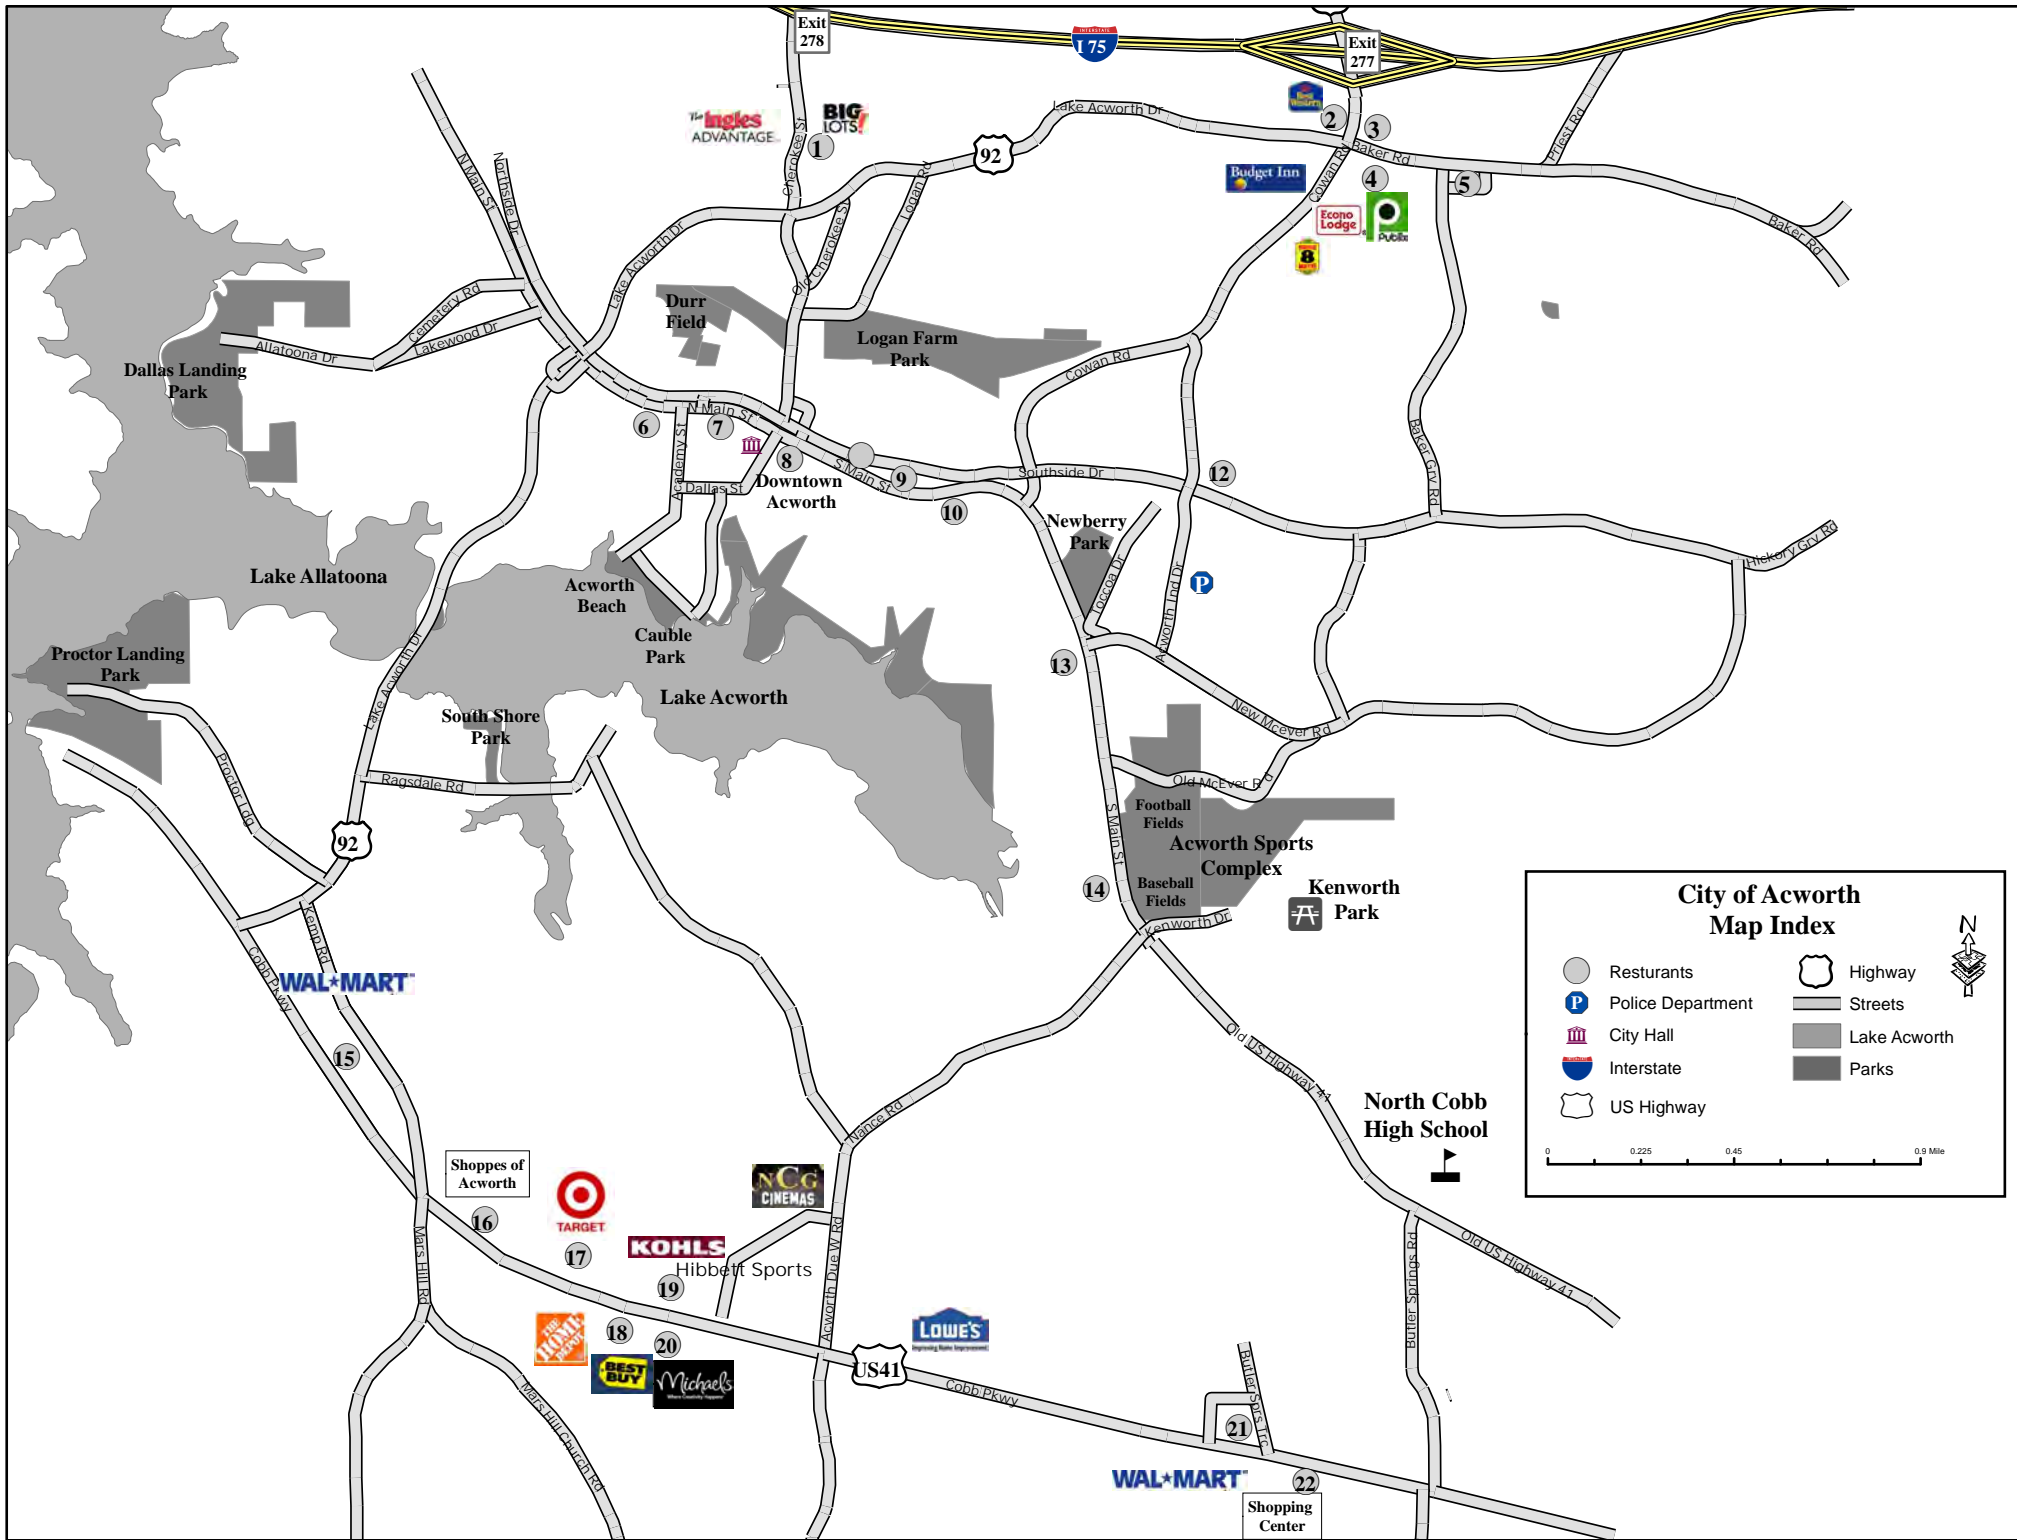

Thank you for choosing Acworth,

Kim Watt, CPRP
Tourism Director/Recreation Coordinator
